Why I'm Running

- Restore Biblical and Conservative values in the Republican Party
- Provide the bold, principled leadership we desperately need to stop Virginia from going the way of California
- Hold our elected representatives, both Democrat and Republican, accountable to our values
- Recruit the next generation of conservative activists and leaders
- Focus more on our school board elections to protect our children from woke ideology and groomers
- Give our GOP units a shot of adrenaline with new techniques for fundraising, growth, and impact in their communities
- Make the Republican Party of Virginia conservative, courageous, and community focused once again!
