

VOTE

RENEE MAXEY

STATE
CENTRAL
COMMITTEE

Fellow Members of the 5th Congressional District,

I am running for re-election to the State Central Committee (SCC) to continue to be one of your representatives. As you know, you will be able to vote for as many as three (3) individuals for the SCC at the District Convention on Apr. 27th at the Drakes Branch Vol. Fire Dept in Charlotte Co. I have been very active in the Republican Party and conservative movement all my adult life whether in a capacity of volunteer work, campaign staff position or political appointment. First and foremost, I am a **Christian** and always have been a **staunch believer in conservative principles**. As your representative on the SCC, I will continue to work diligently for you, for our District and for our goals and objectives in strengthening the 5th District Republican Party, as well as our State Party. I will continue to be a voice for **sound** and **conservative principles**. You have in me a **social** and **fiscal conservative**. **I am pro-life, pro Second Amendment**, am a **Constitutional conservative, believe in limited government** and am one who will **stand for transparency** within our Grand Old Party at the local, district and state levels. I think all members of the SCC should cast their votes by voice and not by secret ballot.

I think that my experience in working within our Party lends me a unique view of the political spectrum, as well as presents the type of credentials which enables me to continue to represent you, my fellow 5th District Republican.

I am a member of the Conservative Fellowship which strives to promote common sense policies and positions at our SCC meetings and helps influence the direction the State Party takes. I have held to my conservative principles, always with a commitment to what I believe is the right thing to do, not “selling out” or “going along” for political expediency.

I have taken seriously the privilege of being your representative on the SCC and have missed only one (1) of the quarterly meetings in the past 16 years. For this meeting, I ensured the district’s representation by sending a proxy. I am a strong advocate for **transparency** within our Party and have emailed you my SCC newsletter within 48 hours of each meeting. I have faithfully kept you apprised of each SCC meeting and have kept you informed as to how I have voted at all SCC meetings. If you’re not receiving my newsletter, please contact me, and I will add you.

A very early supporter of Donald J. Trump, beginning in June 2015, I was asked by the Trump for President campaign in 2015 to serve on the 5th Congressional District Leadership Team, alongside former Congressman Virgil Goode and Jim McKelvey. I enthusiastically accepted. I will never forget the feeling of thankfulness that I had, and have to this day, that he won the Presidency in 2016. In 2020, the 5th Congressional District voted for me for Delegate to the Republican National Convention. I still sincerely appreciate the district’s support to allow me to be one of its 3 National Delegates for President Trump in 2020. In 2016 and 2020, I believe that God blessed America by giving us yet another chance to save our country. With all Republicans uniting in 2024, I think we will be successful in taking back the White House and having another opportunity to restore America to its founding principles.

I ask for your support and vote at our 5th District Convention on Saturday, April 27th, 2024.
