State Central Committee Candidate

Virginia's 5th Congressional District

My goal is to continue serving the 5th Congressional District on the State Central Committee. I am passionate about Keeping the Republic through representative governance guided by our founding principles. It has been my honor to represent the grassroots conservatives that comprise the 5th Congressional District.

LOCAL GOVERNMENT BACKGROUND

I served three terms - twelve years - on the Goochland County Board of Supervisors and I retired from public office on December 31, 2023. After the clean sweep of the "Goochland Revolution" in 2011 that removed and replaced all but one Board of Supervisors member and all five School Board members, we changed our local government's future.

Goochland County was on the verge of bankruptcy in 2011. Today, out of 3,244 counties in the United States, we are the smallest to have earned a AAA bond rating from all three bond rating agencies - all without raising our real estate tax rate of 53 cents.
